

I have worked for the following companies:

- **Springfield** multinational as **senior graphic designer** (Visual merchandising Dept.).
- **Gonvarri Steel Industries** multinational (Gonvarri Steel Services and GRI Renewable Industries) and **Gestamp Renewables** as **graphic designer and illustrator** (Marketing and communication Dept.).
- 360° Advertising agency **CreativeMas**, with works for Grupo Z (advertising for Cuore and Cuore Stilo), Hewlett Packard, European Recycling Platform, Ferrari official authorised dealer... as **graphic designer and illustrator**.
- Software creation companies as **Canela Tech** with works for Makro, For Pilots, Alpha Industries, Carlos III University... among others, as **graphic/web designer**.
- For specific clients such as Santillana, Caesar Custom Vans, Optileks, Vivo, Bareando... as a **creative, graphic designer** (layout, web design, UI, branding...), **illustrator and animator**.

At the same time, I have been developing **my own projects**, which allow me to experiment, investigate new technologies, think outside the box and let my creativity loose with unconventional proposals. I invite you to discover them at victorelbizarro.com
